

## MEMORANDUM

July 2, 2024

From: Leadership Team  
To: Residents, staff, families, and visitors  
Re: **Six (6) COVID positive cases**

As of the writing of this memo, we have a total of six (6) COVID positive cases in the building. The breakdown is as follows:

- 6 residents in Independent Living

### **A few reminders:**

- If you are not feeling well, please take care of yourself, consult your primary care physician if applicable, and stay home to avoid getting anyone else sick.
- We encourage the use of rapid self-tests, also called at-home tests, as a quick and convenient way to screen for COVID-19 on your own. You may find rapid tests in stores, pharmacies and online.
- Wellness Nurse, Yeshi Faris, will communicate protocols for each resident. Please report positive cases to Yeshi, Reception or any Director at Bayview.
- Staff in dining services, assisted living and memory care will be dining masks.
- **Masks are required for visitors to Assisted Living and Memory Care.**

If you have further questions or concerns, please contact the appropriate team leader listed below.
